

# Northwest Regional Library

## NON-RESIDENT POLICY

### **ELIGIBILITY**

All library clients who do not own property in the Northwest Regional Library (NWRL) five county service area, or are not eligible for service through the Minnesota Library Borrowers Compact, are required to purchase a non-resident borrower's card.

### **EXEMPTIONS**

This policy exempts students enrolled at schools within the region or people who rent housing. Students must indicate their parent's names and addresses on the Library Card Application form when they apply for a library card. The policy does not exempt people employed in the NWRL service area but reside outside of it.

### **FEES**

The fee for a non-resident card is \$30.00 annually. This card entitles the person and members of his/her family use of the library for one year from date of issue.

*Adopted 9/98*

*Amended 2/06*
