

Job Opening

The **Northwest Regional Library System** has an opening for an **Automation Coordinator**.

The position is full time, 40 hours per week, working Monday-Friday. Under the general supervision of the Regional Library Director, this position is responsible for providing support and coordination of the regional library's integrated library system (ILS) including software upgrades; compiling, generating, and providing reports; running patron overdues; and providing statistics for monthly and annual reports.

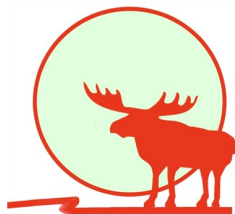

Applicants must have a high school diploma or GED; an AA degree or higher degree is preferred. The position also requires a valid driver's license and the ability to travel to all branch locations.

Starting wage: \$36,316 annually, with benefits.
